**Be The Gift**

The Christmas season is upon us. Do you ever struggle buying Christmas gifts for people who seem to have everything? Sometimes it seems like we have to try

to create new gadgets, decorations, and toys, just so we can come up with something new to give to people who seem to already have it all.

I think most of us will agree that the idea of gift giving at Christmas time sometimes gets way out of control. Families sometimes empty their bank accounts, or go into great debt, in order to provide their children or loved ones with the kind of Christmas that they think they need to have. Don't get me wrong, I enjoy the gift giving aspect of Christmas as much as next guy, but sometimes I have to ask myself, is this the way that the Christ born on Christmas who we celebrate, would really choose to celebrate his birthday. I mean how many birthday parties have you gone to where everyone in the room gets presents, except for the one having the birthday?

Since it's Jesus' birthday and not yours or mine, that leads me to a thought provoking question. What would it look like for us to give Jesus the presents this year, instead of giving them to each other? I think that there are probably several ways to answer that question, but one way is to say that Jesus would want us to give the same gift to him that he gave us. What was that gift? It was the gift of himself! Jesus doesn't want our stuff, no matter how beautifully we wrap it. He wants you and he wants me to BE the gift. And he translates that, by having us be the gift to one another, because we show him how much we love him by how we share his love with each other.

So this Christmas, I'm encouraging us to do more than just try to come up with the next greatest Christmas present, but instead to pray about how we can be the gift to others. How can you be the gift to your marriage? How can you be the gift to your family? How can you be the gift to your community? Friends, God became a human being, so that he could "Be the Gift" for you and for me. Let's decide how we can sacrifice ourselves for the sake of others. That will be the closest gift to the original gift of Jesus that we can give.

"Be the Gift" is the title of our December message series. The theme verse for this series will be Proverbs 11:24-25, which says, "One man gives freely, yet gains even more; another withholds unduly, but comes to poverty. A generous man will prosper; he who refreshes others will himself be refreshed." Friends, let this Christmas all be about how you can refresh others with the gift of yourself! In turn you will find yourself refreshed. The Christian faith is not as much about where we go when we die, as it is about how we live while we're alive. Don't show the ones you love how much you love them by how much you spend on their gifts this year, instead show them you love them by giving yourself as the gift. This year focus on giving your presence, not your presents!

In Christ's Love, Marc

## A SUPER CHRISTMAS

We are SUPER excited about this year's children's program. In this play, a handful of beloved superheroes hear of the arrival of a new powerful player... God's Son! The threat of them losing their jobs might be too much to bear! Will the superheroes have any luck finding this new hero? Will Jesus actually take their jobs? How in the world will we work the nativity scene into a play like this? You'll have to show up to find out!

Be sure you don't miss out on all the action, Sunday, December 15th at 1:30pm. Also, the preschool will be performing songs in between acts. Cookies and punch will be provided after the program down in the multi-purpose room for the families and guests of our child stars.

110 shoeboxes were prepared and sent from Old Fort Church. What a blessing! Remember to pray for the child who will receive your shoebox. This is another ministry that will reach the world!

The UMW will meet for their Christmas luncheon at DaVinci's in Fremont on December 4, 2013 at 11:30 AM. Our donations of products for the Morrison House may include: laundry detergent, bathroom tissue, paper towels, table napkins, and personal health products, and cleaning supplies. In case of inclement weather, members will be called.

The Fort is our exciting new venture for children ages 3 years old to those in 6<sup>th</sup> grade. Those involved in the OFC Kids ministry want to create a thrilling environment where children are ecstatic about coming to church and are anxious to tell their friends. The Fort is a separate children's service that will take place during the 10:00 service. The set-up will look much like a tree fort, leaving room for imagination to roll. The children will be exposed to their own music, games, and a message catered to young minds. ## THE WALK TO EMMAUS.....

### MARY MAGDALENE

I've often wondered about Mary Magdalene; who she was and how she fit into the life of Jesus. It's interesting that she was the first to witness the power of Christ's Resurrection. Mary Magdalene, who though once possessed seven demons, was among the women who ministered to Jesus. (Luke 8:2-3). She was the last to leave the tomb on the day He died, and she returned there early the next morning (Matthew 27:61—28:1). Unlike Peter and John, who merely looked into the tomb and departed, she "lingered" and became the first to see the Risen Christ. Peter and John only saw the grave clothes.

With Advent upon us, we need to think about who Jesus is for us. A baby with a sweet story? Or, the Suffering Servant who gave up His life to set us free from sin and death? Or, is He the Lord of all creation who is coming back to bring His faithful people to heaven?

Can we, like Mary Magdalene "linger" in the scriptures until we see Jesus? May God Almighty open our eyes this season, so that we can see Jesus in a new way and be transformed by what we see. DeColoras and Merry Christmas!

OLD FORT UNITED METHODIST CHURCH

LEAD TEAM MINUTES

NOVEMBER 12, 2013

7:00 PM

Present were: Pastor Marc, Tanya Wheatley, Lisa Randall, Bret Fry, Kevin Joseph, Sue Rohlf, Lavin Schwan, and Lois Murray.

Pastor Marc opened the meeting with scripture from I Chronicles 1:8-36. The LEAD Team discussed the various implications this passage brings to our gratitude to God. This was followed by prayer.

The Secretary's report was approved as printed . The Treasurer's Report shows a balance of \$10, 364.07 with all the bills paid to date.

It was accepted.

Lisa Randall asked about fund raising for the Pre-School. Neither Pastor Marc nor the Lead Team was opposed to the Pre-School doing the same kinds of fundraising as they have been doing. The fund raising projects are used to purchase needed supplies.

Pastor Marc's report:

Willie Fultz accepted the full-time position as leader of children and youth programs. The programs are growing and doing well at this time.

The Great Reveal for the new building program will be held on November 17 at approximately 11:30 after the second service.

Pastor Marc attended the Catalyst Conference at Willow Creek along with Willie Fultz and Mike Sooy on November 6.

He also attended the Boundary Training by the West Ohio Conference.

He introduced a document with Standards for Staff Conduct. It was backed by the Lead team with a motion made by Lisa Randall and seconded by Sue Rohlf. Motion carried.

The December sermon series will be titled "Be the Gift." It will look at how we can be the gift this Christmas, by being a gift to our marriages, family, and community.

The Staff/Lead Team Christmas party will be at the parsonage on December 13 at 6 PM. The team will bring appetizers and the staff will furnish desserts.

The pastor and family will host an open house for the entire congregation on December 22 from 3-6 PM.

Team members and officers were discussed for next year. Luke Riesen will maintain his membership and serve as chairperson. In the event of his absence, Bret Fry will serve as the facilitator. Lisa Randall volunteered for the position of secretary, but not at the present time. Lois Murray will continue the position until she is ready. New names are being sought to serve as Lead Team members in the future.

Trustee Sue Rohlf reported that maintenance work is being done at both the new and old parsonages. Also a new self propelled trimming mower is needed for the parsonage next summer. Lavin Schwan reported that the prayer sessions, which she leads during the Contemporary Worship, are progressing well. More participants are invited to be a part of that ministry. She also hopes to start a similar group for the first service.

Tanya Wheatley reported that the church has never knowingly been incorporated. As a non-profit organization, this must be done in order to take out loans. The process for this must start soon.

Some discussion was given to the Child Protection Act—and in these times we must be more aware of how to

protect our children in the church building.

A letter was presented from the UMCH Family Services (formerly the Children's Home) asking for help with Christmas gifts for their foster children. Bret Fry made a motion, seconded by Lavin Schwan to send the UMCH Family Services \$500.00 toward this project. The money will be taken from the Missions fund.

Motion carried.

Kevin Joseph made a motion to adjourn, seconded by Tanya Wheatley. Prayer was offered by Lavin Schwan.

Respectfully submitted,  
Lois Murray, Secretary .

The **“Warm Up America”** project continues to be very successful. The crocheted or knitted patches make very colorful blankets. In June, three blankets were completed, with one for Pastor John Alice and family, one for The Morrison House in Tiffin, and one to the Liberty Center in Fremont.

On Sunday, November 10th, Pastor Marc blessed seven more blankets in a short prayer. These will be taken to our mission in Toledo at The Friendly Center and the Cherry Street

Mission. Ten blankets in a year is quite an accomplishment. Whether you made one patch, or many, they all add up to the whole.

The project continues so keep your crochet hooks and knitting needles out and complete a 7 x 9 patch or many!

Most of the prayer shawls have been lovingly given where needed. So, whether it is “Warm Up America” patches, or a Prayer Shawl, we welcome your contributions.

**Many thanks for all you have done.**

HISTORICALLY SPEAKING.....

## CHRISTMAS

There is very little recorded about the early Christmases in the Old Fort United Brethren Church—only in people's memories. Christmas was not celebrated then as it is now. Rarely were there any decorations in the early days. Christmas was observed by reading the scriptures of the great event of Jesus' birth with a sermon and discussion.

Most people did not decorate their homes—if they had a tree there were no lights. Some put on candles which were a beautiful but a dangerous thing. Most people would light the candles only for a few minutes on Christmas eve or Christmas day. Trees were not usually set up in the church itself until the 1940's.

Treats were always handed out to the children in Sunday School, put into a small brown paper bag with an orange, hard tack candy pieces and a chocolate drop (nothing wrapped) and occasionally a candy cane. These were originally all purchased from Nease's store (now known as the Country Market).

Church and Sunday School offerings were collected for the Otterbein Home (then both a nursing home and an orphanage) which is still located near Lebanon, Ohio. Little red cardboard stockings were handed out to the children, which were designed with slots where dimes could be inserted up to the amount of \$1.00. Many times \$30.00 was considered to be a very large offering for this cause.

Around the 1930's, a choir was organized to enhance the Sunday Services. It's very capable leader, Effa Zimmerman, had served as the school music teacher for several years. At Christmas time, under her direction, the choir many times performed Handel's Messiah—and it was well done by an amateur group.

Over the years there began to be a more organized Sunday School and the children would put on a Christmas program—usually a portrayal of the manger scene, recitations and carol singing. They became more elaborate when they were held in the evening, preceded by a potluck supper and the program would be a playlet or pageant to portray a Christmas story. The Women's Missionary Society also hosted a family night with a potluck supper and a program following.

The youth group would organize a caroling event on a Sunday night, and go around the town singing the old favorites. Hot chocolate and cookies were a treat afterwards.

The Midnight Christmas Eve Service with candle light was started in the 1950's by Rev. Ernest Daubert and has remained a highlight of the Christmas season. It was solemnly joyous, very impressive and a true start for the meaning of Christmas day.
